ANGEL GROVE
CHECK YOUR BURNERS

IN A COOKING CLASS, THE ATTENTION IS ON . . . EGGS!
WE'VE BEEN STUDYING EGGS AND THE MANY VARIOUS WAYS THEY CAN BE PREPARED . . .

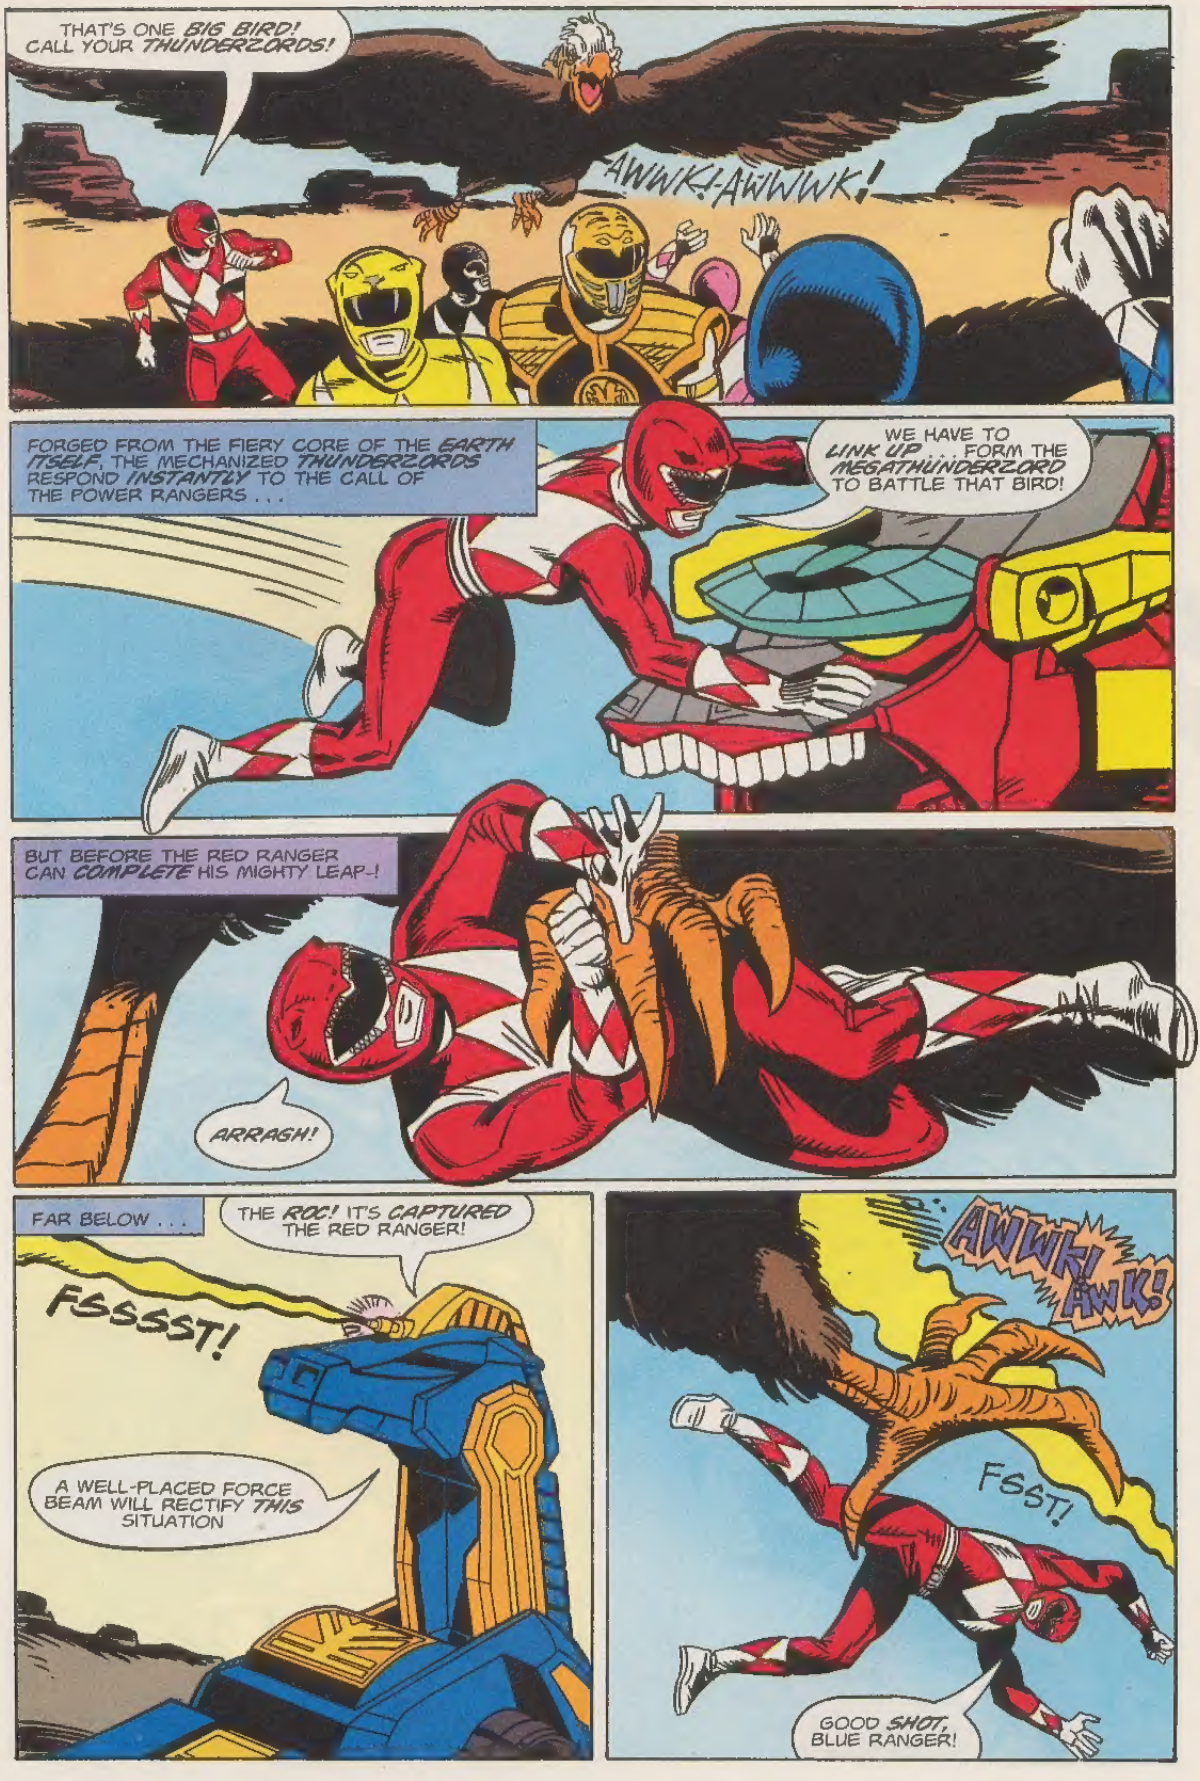
HEY BULK,DIDJA PUT THAT ROTTEN EGG ON AISHA'S STOOL LIKE WE PLANNED? DIDJA? HUH!? DIDJA?
I COULDN'T. YOU DWEEB . . . NOT WITH THE COOKING TEACHER WATCHIN' US SO CLOSE . . .

WHERE'D JA HIDE IT? WE CAN USE IT LATER. WHERE IS IT?
HEY! WATCH YOUR ELBOW! THE EGG'S IN MY . . .
KRAAK!

. . . POCKET!
AND WHAT HAVE WE HERE, GENTLEMEN? A NEW EGG DELICACY? EGGS ALA BULK PERHAPS?
PHEW!

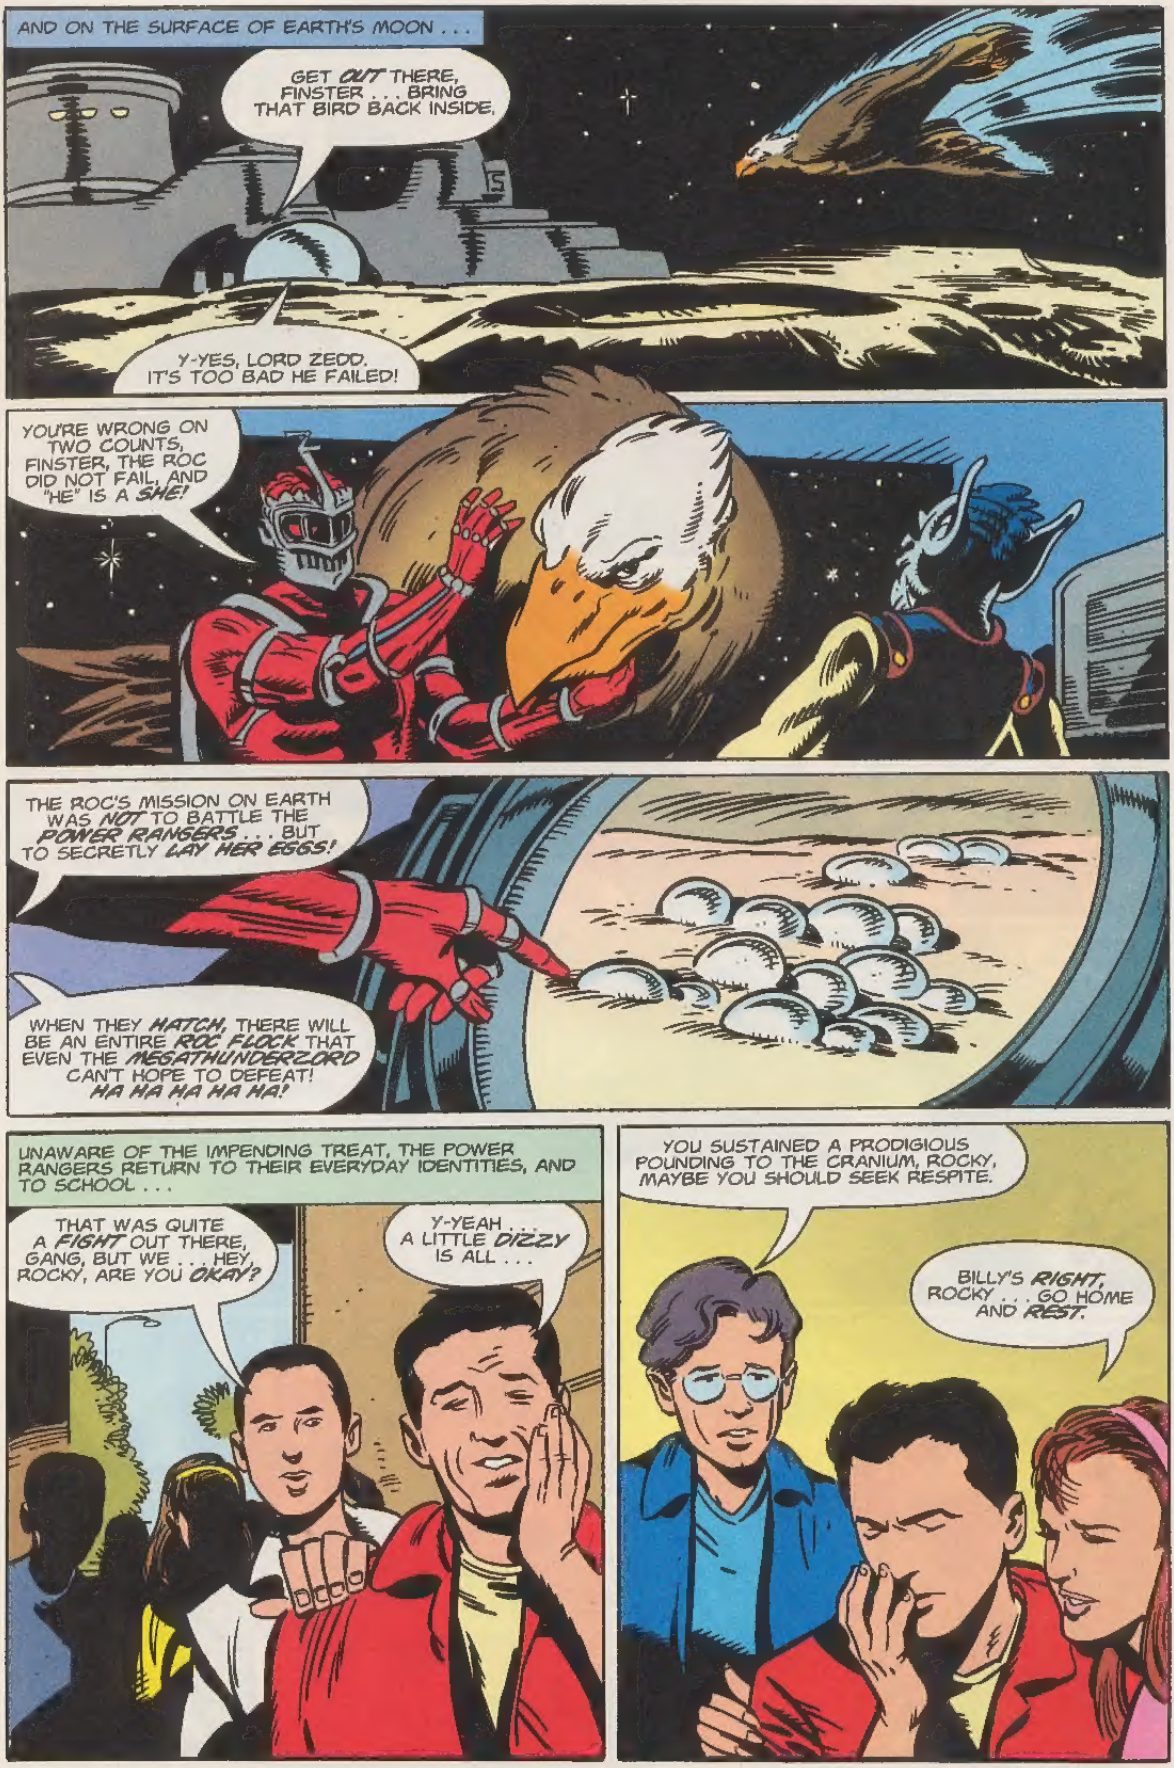
LOOKS AS IF BULK AND SKULL'S EGG DISH DIDN'T PAN OUT . . .
NOW IT SEEMS THEY'LL HAVE TO AIR OUT INSTEAD!
I TELL YOU. I COULD USE SOME AIR! I'VE BEEN COOPED UP IN SCHOOL OR DOING HOMEWORK ALL WEEK! I WISH I COULD GET SOME EXERCISE!
BE CAREFUL WHAT YOU WISH FOR, ROCKY . . .
. . . YOU MAY GET IT!
A SIGNAL FROM ZORDON!
DETENTION
BZOO
WHAT A BUNCH O' TEACHERS SUCK-UPS! THEY WEAR EGG-TIMERS ON THEIR WATCHES!
HEY BULK! WHAT DO YA USE TA GET EGG STAINS OUTTA SHIRTS?
AHH, SHUT-UP
WE HEAR YOU, ZORDON! TELEPORT!

HURRY, MY POWER RANGERS! TO THE DESERT TO INVESTIGATE A MYSTERIOUS LANDING!
TYRANNOSAURUS!
PTERODACTYL!
TRICERATOPS!
MASTODON!
SABER TOOTH TIGER!
WHITE TIGER!
AN INSTANT LATER, IN THE DESERT!
LOOK! PUTTIES!
THESE PUTTIES ARE PROTECTING SOMETHING . . .
MOST LIKELY WHATEVER IT WAS THAT PLUMMETED DOWN AND RESULTED IN THIS CRATER!
LOOK DOWN THERE! THOSE LOOK LIKE PIECES OF A GIANT EGG SHELL!
THESE PUTTIES ARE ON GUARD HERE, SAFEGUARDING THIS SITE UNTIL SOMETHING HATCHES . . .
IT LOOKS AS IF IT'S ALREADY HATCHED!
IT DID! IT DID! LOOK!
THE PUTTIES! THEY'RE MAKING THE EXIT SCENE!
THEIR WORK IS DONE! THEY JUST SET US UP FOR . . . THAT!
IT'S A ROC-- THE LEGENDARY GIANT BIRD, THE ROC!
AWK! AWWK!



THAT'S ONE BIG BIRD! CALL YOUR THUNDERZORDS!
AWWK!-AWWWK!
FORGED FROM THE FIERY CORE OF THE EARTH ITSELF, THE MECHANIZED THUNDERZORDS RESPOND INSTANTLY TO THE CALL OF THE POWER RANGERS . . .
WE HAVE TO LINK UP . . . FORM THE MEGATHUNDERZORD TO BATTLE THAT BIRD!
BUT BEFORE THE RED RANGER CAN COMPLETE HIS MIGHTY LEAP-!
ARRAGH!
FAR BELOW . . .
THE ROC! IT'S CAPTURED THE RED RANGER!
FSSSST!
A WELL-PLACED FORCE BEAM WILL RECTIFY THIS SITUATION
AWWK! AWK!
FSST!
GOOD SHOT, BLUE RANGER!

NICE SHOOTING, BLUE RANGER . . . HE'S DROPPING RIGHT INTO HIS COCKPIT!
BUT INSIDE THE RED DRAGON THUNDERZORD . . .
OWWW!
RED RANGER! RED RANGER! ARE YOU OKAY? ANSWER US!
UMMM . . . YEAH . . . YEAH. I'M OKAY! FORM THE . . . THE MEGATHUNDERZORD!
IN SECONDS, THE FIVE THUNDERZORDS JOIN, FORMING THE AWESOME MEGATHUNDERZORD!
GOT YOU, FEATHERBRAIN!
AWWK! AWWK!
BACK TO THE MOON FOR YOU, BEAK BREATH!
THE PUTTIES ARE POPPING OUT TOO! THEIR PLAN'S A BUST!



AND ON THE SURFACE OF EARTH'S MOON . . .
GET OUT THERE, FINSTER . . . BRING THAT BIRD BACK INSIDE.
Y-YES, LORD ZEDD. IT'S TOO BAD HE FAILED!
YOU'RE WRONG ON TWO COUNTS, FINSTER, THE ROC DID NOT FAIL, AND "HE" IS A SHE!
THE ROC'S MISSION ON EARTH WAS NOT TO BATTLE THE POWER RANGERS . . . BUT TO SECRETLY LAY HER EGGS!
WHEN THEY HATCH, THERE WILL BE AN ENTIRE ROC FLOCK THAT EVEN THE MEGATHUNDERZORD CAN'T HOPE TO DEFEAT! HA HA HA HA HA!
UNAWARE OF THE IMPENDING TREAT, THE POWER RANGERS RETURN TO THEIR EVERYDAY IDENTITIES, AND TO SCHOOL . . .
THAT WAS QUITE A FIGHT OUT THERE, GANG, BUT WE . . . HEY, ROCKY, ARE YOU OKAY?
Y-YEAH . . . A LITTLE DIZZY IS ALL . . .
YOU SUSTAINED A PRODIGIOUS POUNDING TO THE CRANIUM, ROCKY, MAYBE YOU SHOULD SEEK RESPITE.
BILLY'S RIGHT, ROCKY . . . GO HOME AND REST.

THAT EVENING, IN ROCKY'S HOME . . .
WHOOO! MY HEAD'S REALLY RINGING INSIDE. I MUST HAVE HAD A HARDER KNOCK THAT I THOUGHT!
SLEEP WILL HELP . . . ! I KNOW IT . . .
BUT THE NEXT AFTERNOON, AT AN ANGEL GROVE HIGH SCHOOL PEP RALLY . . .
THERE'S ROCKY! YOU SEE THE WAY HE'S WALKING?
YEAH! THE DUDE'S BEEN SPACED SINCE YESTERDAY!
I HOPE HE'S ALL RIGHT.
HELP HIM UP, GUYS.
ROCKY! HOW'S MY MAN?
UH-OH! LOOK! LOOK!
BIRDS! BIG ONES!
IT'S ROCS AGAIN . . . THIS TIME A WHOLE FLOCK OF ROCS!
COME ON! WE'VE GOT TO GET OUT OF HERE! WE'VE GOT TO DO SOMETHING!
"DO" SOMETHING? WHAT CAN WE DO?

HOW LONG'S IT BEEN SINCE YOU HAD TANGY TAFFY®?

CROSS TALK

Every year The San Diego Comic Convention hosts the "Will Eisner Comic Industry Awards," which are considered to be the "Oscars" for comic books. Walt Disney comic book titles are not generally selected to receive these prestigious awards, but this year, for the second time, a Gladstone publication was chosen.

Two years ago, at the Fifth Annual Eisner Awards Ceremony, our well-respected album series, **The Carl Barks Library of Walt Disney's Comics and Stories in Color**, won for "Best Archival Collection." This year, the Seventh Annual Ceremony honored us with two awards for Don Rosa's popular "Life and Times of Scrooge McDuck" serial from **Uncle Scrooge**.

The award for best lettering was given to Todd Klein for the masterful calligraphic technique with which he imbued the series—as well as for his work on a number of DC-related titles. In his acceptance speech, Todd reminded his fans that the work he did on **Uncle Scrooge** was a welcome and refreshing change of pace from the super hero books he usually works on and was, in fact, his favorite work during 1994/1995.

The big thrill for the evening, however, came toward the end of the ceremonies when the coveted award for "Best Serialized Story" was bestowed upon Don Rosa and Gladstone. If the Eisner Awards can be compared to the Oscars, then "Best Serialized Story" is comparable to, say, Best Actor—a desirable award to say the least! Don Rosa, who was more stunned than anyone by the announcement, recovered from his initial shock and made his way to the podium to accept the honor.

The prestige of receiving six nominations and two wins certainly does place "The Life and Times of Scrooge McDuck" in a category all its own in the annals of Disney comic books. We at Gladstone are happy to share the good news with you.

—John Clark

I am 18 years old and am not ashamed to admit that I have been one of the biggest Power Ranger fans since the beginning. The show is great and your comic is just as great, if not better.

I just finished issue #2 of the second series and I must say it was one very cool story. I like that you gave Adam a sense of humor instead of his usual shy personality. My favorite Rangers are Tommy and Kimberly (but, aren't they everyone's favorite.) And I agree with the rest of the fans when I say "have more issues with the two of them together." I mean even the show has started to do more with them.

I have seen the Power Rangers movie twice already and I really loved it. I was wondering if Hamilton comics was going to make a movie adaption comic of it? I know you guys would do an excellent job with it.

Well gang keep making great comics and I'll keep spending my hard earned buck-ninty-five a month on **Saban's Mighty Morphin Power Rangers** the comic. (As long as **you** keep making the comic, I mean.)

I picked up #2 yesterday and it was fantastic! I also agree with Michael Martinez about wanting a permanent series. Please print my address because I like having penpals.

Just finished issue #2 of Series II and got a glimpse of the **MMPR** movie to be released on June 30th--well consider yourselves lucky, because over here we have to wait until September 14, but then again, the movie was filmed out here. Some people over here think that because I'm 24 years old I am childish, but I don't care, they don't know what they are missing, do they?

Could you please print my address?

My seven-year-old niece accompanied me to my local comic shop today, and in addition to my more "mature" selection, she had me buy **MMPR** #3 (series II). When we got home, naturally I had to read it to her, and it was as much fun for me as it was for her!

As a man of 31, I don't **purposely** ever watch the Power Rangers on television, but with her living here, I can't help but be exposed to it. Therefore, it was enjoyable to read your stories in #3, because I knew what was going on. My niece knows **everything** about them!

There were some inconsistencies in your stories, but I see that a number of them have been mentioned in your letters columns by the "experts," so I'll only bug you about one. And that is, the way Zordon treated the "bad-attitude" Rangers. It's not the first time the Rangers have had evil personality changes due to machinations of Zedd or even Rita, but Zordon always knew about it and gave the Rangers the benefit of the doubt. Then he worked to find a cure for what he knew was an evil influence beyond their control.

In your first story in #3, he didn't even give them a chance! If Alpha had not discovered the 'Tude Tick' in their uniforms, the Rangers would still be evil today, unknowing victims of Zedd's villainy, and separated for good from their mentor, Zordon. The personality traits of the cast are pretty solid, so I just couldn't let this one slip by without bringing it up.

In the second tale, however, Nat Gertler did a good job for the most part with the individuals, especially Billy, who sounded as technical and "brainy" as he does on the show. It was a kick to read this story to my niece! I, for one, want to see Gray Morrow's version of this series!

Now her comments: Squatt had a very good idea about the bad attitude tick! He was also funny in the story, especially when he broke his arm and hurt his head at the end! Also, Zedd and Rita should be married in your comics. In the second story, I liked the part when the bats scared the elephants. That was sure smart of Billy to think of that idea! In the first story, why did some of the Rangers take their helmets off? Now, Angel Grove people know who they really are underneath! That's not right! (She's the expert!)

I'm not really into comic books, because I can't comprehend them. But amazingly, I can the Power Rangers. It may be that I am interested in what the Power Rangers say. Some cartoons/comics make no sense and have bad effects on what kids do. The Power Rangers are a good & positive thing to children, as decent role models are supposed to be. I like each one of the Power Rangers in a special way. I hope one day I can meet them.

After the up & down quality of the previous books, **MMPR** #3's story, "Bad Attitudes" was the much needed antidote to a really lousy day.

Squatt contributing largely to the mayhem was a good idea since he and Baboo are all but gone from the show. My favorite moment in the story was when Aisha had Bulk by the collar! ('Bout bloody time in my opinion!) You also made Zordon someone we can all respect when he stripped the bad attitude Rangers of their power. Thanks for easing up on Billy's educated vocabulary & oh yeah, the story would've been better if you'd shown Zordon working some magic to make the good citizens of Angel Grove forget the faces of the unmasked Rangers. Still, you receive an A from me.

You guys have made a very respectable comic book out of Power Rangers and I don't think anyone could do it better. Just remember:

1. Make Mighty Morphin Power Rangers permanent!
2. Make "Power Ranger Classic" series.
3. Publish comic adaption of "Power Rangers" movie.
4. Give John Heebink a permanent job!

In Series II, #1, you listed the statistics of Tommy, the White Ranger. There is one discrepancy: Tommy is not 5'6"! Jason Frank, the actor who plays Tommy on the TV show, is 6 feet tall! My ten year old brother is 5'6". Just keep that in mind.

So long as you keep this comic as good as it is right now, you'll always get my $1.95!

I say that Hamilton Comics is a success hit in America. I don't know how many times I read **MMPR** #3, even though it's the only one I have. I'm impressed with the artwork and the writing. I wish I could draw like that! Do you remember the show "Voltron?" The Rangers remind me of them, but the Rangers are better, and the show is more exciting, and the comics are cooler!

I congratulate your writers and artists on the "morphinmind" work they have done. Keep up the good work!

Are you going to make a comic of the **Mighty Morphin Power Ranger** movie? If so, could you please have it drawn by John Heebink! Also, please don't stop with four issues of the second series!

I find it interesting that the Power Rangers have found their way into the comic realm for all to enjoy, and nobody in my family enjoys comics as much as I do. However, I am pretty disappointed in the treatment of this series by an unfamiliar comics publisher.

Already people have written in to complain about the little things like how Lord Zedd takes on the mannerisms of Rita Repulsa, why Finster still exists in the comic and not in the show, that the morphing sequence is out of order, (First it's the Tigerzord, then it's Mastodon, Pterodactyl, Triceratops, Sabertooth Tiger and Tyrannosaurus! Get it right!!) why the Rangers have their Power Morpher insignias on their costumes, why the layouts aren't as impressive as Marvel or DC, why the dialogue balloon pointers aren't jagged when they communicate from their zords . . . okay, I made up those last two myself, but these are little things that annoy more-than-obsessed fans. My problem as a serious comic book collector, is that Mighty Morphin Power Rangers the comic book is a limited series (yes, I read the indicia).

I don't want to complain, but comic books cost money, and I don't feel like wasting it on a series that won't last beyond 6 issues. Especially since I'm an unemployed, full-time college student and art major seeking a career in animation and/or comics illustration that's never going to happen in real life. And it's not just me either. Remember those more-than-obsessed fans that I mentioned earlier? If you discontinue this series, these "freaks" as I call them are going to be very angry at you. What's the problem anyway? Are Saban's royalties too expensive for you or something?

I just wanted to drop a line to say how much I enjoy your Power Rangers comic. I had never picked up a Hamilton comic before, and I had never even heard of Hamilton Comics until the Power Rangers comic appeared. I am 14 years old and I enjoy the action-adventure Power Rangers Saga. I must say that Hamilton Comics makes a very good comic. So far, I have every issue of the series, and I plan to continue my collection. I am not going to make it a priority to see the movie–perhaps I will rent it or possibly purchase it when it arrives on video. I hope that you, or some other comic company will adapt the movie into a comic, and then I will buy that. I have heard about your six-issue mini-series on the Power Rangers' beginnings. Although I do enjoy the new stories you have every month, especially with the White Ranger, I am fascinated by the original stories of the Power Rangers with my favorite Ranger–the Green Ranger. I look forward to this upcoming mini-series. After that, you can look for me to stay with Hamilton Comics for years of the Power Rangers. Please keep up the great work that you have already accomplished.

*Hamilton Comics wishes to extend our sincerest appreciation to all of you who have written to our **Mighty Morphin Power Rangers** comic book. This letter column simply could not have happened without you!*

While we'd like to respond more fully to many of the things brought up in the letters printed this issue, we must forego it because…

*This is Hamilton Comics' final issue of **Mighty Morphin Power Rangers**. It's been quite a ride, and while we have been sometimes bemused by the questions, complaints and requests you, the readers, have sent us concerning our treatment of the Power Rangers, we've noticed that you have also been very supportive of what we actually accomplished. That it why it is our pleasure to announce (though this may already be old news to many of you) that, starting next month, **Mighty Morphin Power Rangers** will continue their comic book adventures under the Marvel banner! Saban and Marvel have a great deal of enthusiasm for this new arrangement, so the results should be…if you'll permit one last hurrah…MORPHINOMENAL!*
